Emerge Center Against Domestic Abuse provides safety and resources to those experiencing domestic abuse. Your sponsorship is a lifeline for people in need of these services.

Each year, our emergency crisis line takes thousands of hotline calls. Every day, our shelter is operating at or near capacity with members of our community seeking safety, often arriving with nothing but a trash bag full of cherished belongings.

We sincerely thank you for considering a partnership with Emerge. We believe our community has the solution to ending domestic abuse within our community, and community partners like you play a key role in making that belief become a reality.

Emerge assists anyone who seeks our services, and therefore, sponsorships are crucial to Emerge. Your investment will directly impact our participants and provide the fuel to help our community end domestic abuse altogether.

To honor the impact you will make, Emerge will recognize you on our website and social media platforms (Facebook: 4198 followers, Instagram: 1188 followers, Twitter: 1096 followers) as a sponsor. There are additional benefits at each sponsorship level, which include recognition at our signature Survivor of the Year Luncheon and Domestic Violence Awareness Month (DVAM) events. We’ll also offer corporate volunteerism opportunities, which include our Annual Holiday House event.

Again, thank you for your consideration and your support. If you have any additional questions, please contact me, Josué Romero, at any time. We look forward to discussing this opportunity with you.

About Emerge
Emerge Center Against Domestic Abuse was formed in 2008 when Tucson Center for Women and Children merged with the Brewster Center and became the largest provider of comprehensive domestic violence services in Southern Arizona. Our services include a 24-hour multilingual crisis hotline, emergency shelter, lethality assessments, safety planning, case management, basic needs (food, clothing, hygiene items), support groups, domestic abuse education, lay-legal assistance, life-skills education, financial literacy, housing stabilization assistance, connections to community resources, transportation assistance, parenting education, age-appropriate services for children, and more.
