

Case Coordinators-Court Support (Adult Probation)

Bilingual (English/Spanish) Preferred

Monday – Friday 8:30a-5:00p

Due to the pandemic, and for the health and safety of our employees and participants; Emerge temporarily relocated some of its employees to working remotely. Remote status is based upon position and program needs. For direct service positions, training will remain on site and in person. We anticipate returning our employees to in-person work when it's safe to do so. Initially, some positions (but not all) may work remotely but will transfer to working on site when our agency is able to return to in-person services.

Emerge Center Against Domestic Abuse has begun an organizational process of transforming philosophy and practice to acknowledge the root causes of violence as being embedded in multiple, intersecting systemic oppressions (sexism, racism, homophobia, transphobia, classism/poverty, able-ism, and anti-immigrant sentiment).

These conversations directly impact the climate and culture of our organization and are tied to the climate and culture in our community related to violence as a normalized experience. We are seeking team members across the organization who understand that humanizing the experience of all people is a radical act in a non-profit system and who are willing to be a part of transforming our organizational culture to be a more antiracist multicultural institution.

We are seeking job applicants who understand it is our responsibility to ensure that our responses to domestic abuse must include the experiences of those who are most in need and who have the least amount of access to help and support and who can work in an environment that is rapidly changing.
